

Polk County Amateur Radio Association
Meeting Minutes
July 12, 2008
Mark Wien KC9GHQ

Hi,

Our monthly breakfast will be at the Thirsty Otter in Balsam Lake. All, hams or not are invited to join us.

I'm sure you all received the NIMS notice from Kathy.

My plan is to come, eat and clean up the shack from Field Day, and maybe install some new Winlink software.

Dan, KB9OBF is collecting Field Day pictures. Bring them on disc or memory stick if you have them.

Please pass this to anyone you know that doesn't have or read their email.

I know of no other business.

Maybe see you there!

Mark KC9GHQ
