Treasure report

Carlos N9GIM

We have money in the account for now

Repeater update

Rick W9WS

The antenna has some issues the thought is that the antenna has micro cracks in it and we need to look at possibly replacing it the cost of replacement would be around \$600.00

Field Day Review and discussion

Over all the day went great and we made a lot more contacts and points this year we had a good turnout of members and guests we were able to have a 3A setup we had two voice stations and one digital station

Ares/Races

Fred AB9LV

Discussion about what we want to do and how to proceed from here we will do the SET and Field day for training and we will continued to do training thought out the year as need

501c3 update

Chris KC9NVV

Still working on it slow but making progress

Update on the water tower in Dresser

KC9PJJ

The village board is still looking for a written plan about the installation
