Jim K0KFC

Jim gave us a great presentation on Grounding and lighting protection. I think that we all learned something today.

Jim gave us all a lot of good idea on how to make out shacks better. And how to do things different in the future.

After the meeting Rick W9WS and Fred AB9LV went over to the repeater site and duplexed the repeater so we will see how this would we all hope this will give it better coverage area on both transmit and receive .
